

**PENTA
HOTELS**

lights, camera, action.

hello, it's **Penta**. we are THE location for
creative geniuses, film crews and movie lovers.

A photograph of an empty theater with rows of yellow seats. The seats are arranged in a grid pattern, and the background is dark. The text is overlaid on the right side of the image.

***“and the nomination for
best hotel goes to...
PENTA”***

“Penta...?”

**Penta is a welcoming space, with a
“smiles first, questions later” policy.**

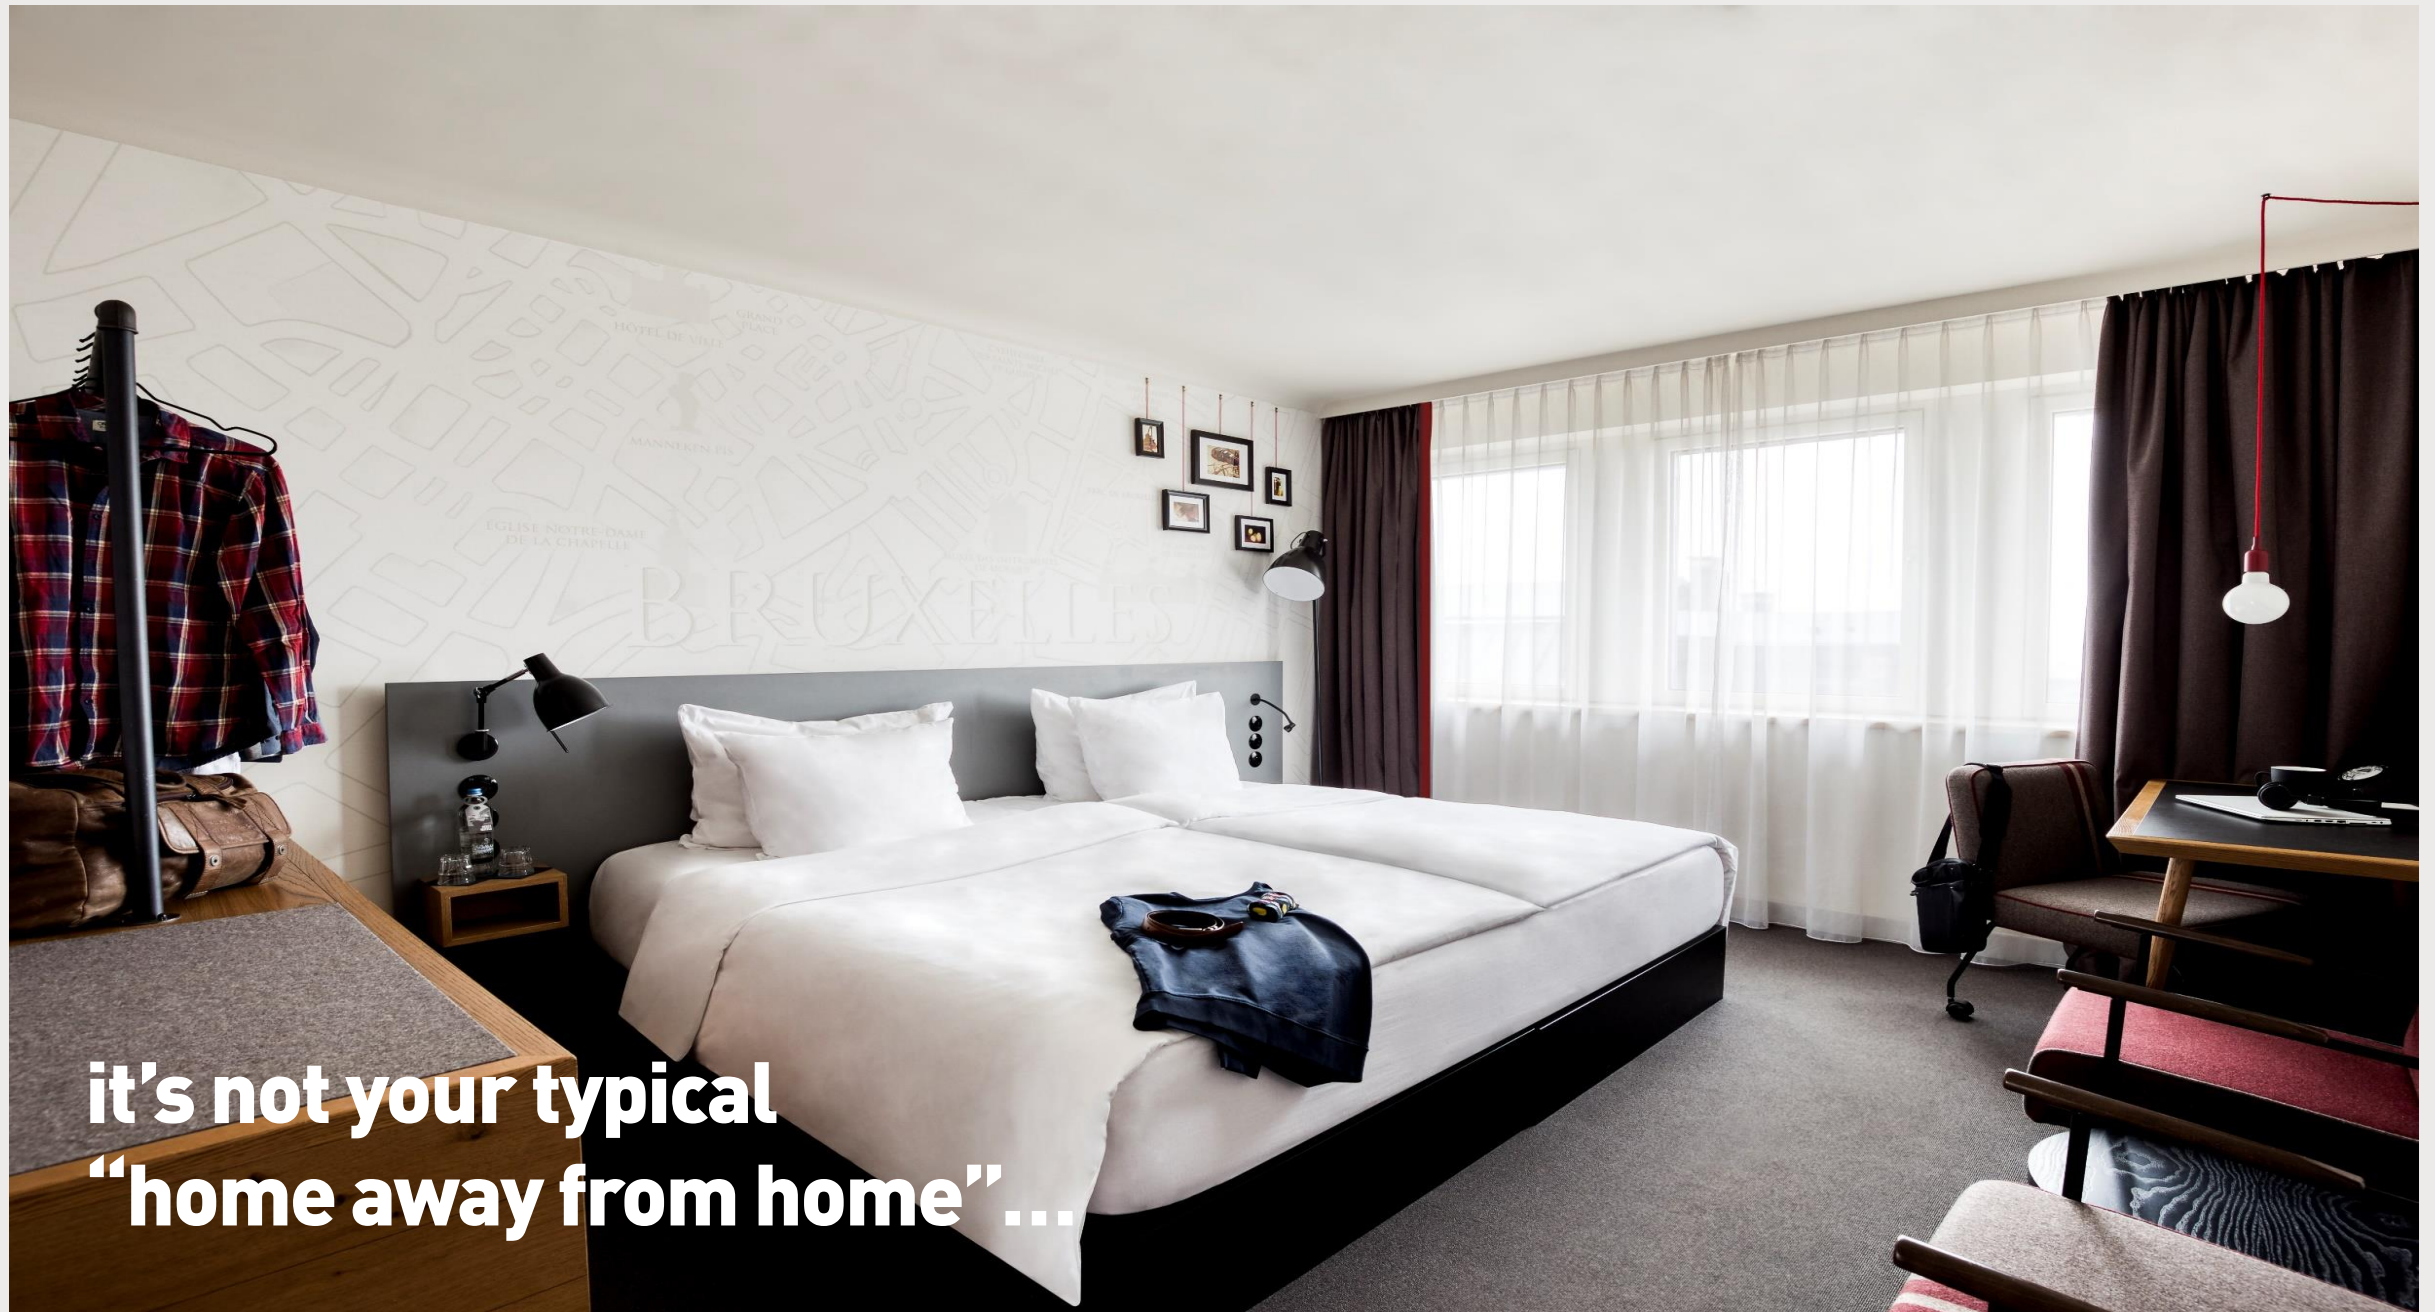

**it's your
new living room
(flatscreen
always included).**

A photograph of the exterior of a building at night. The building features a brick facade and a dark entrance area. Above the entrance, the words "POPCORN FACTORY" are displayed in large, illuminated letters. The entrance is framed by a dark structure with a row of small, round lights. Above this, a larger section of the building is visible, featuring a grid of lights and a curved brick wall. The overall atmosphere is warm and inviting, with the lights creating a cozy glow.

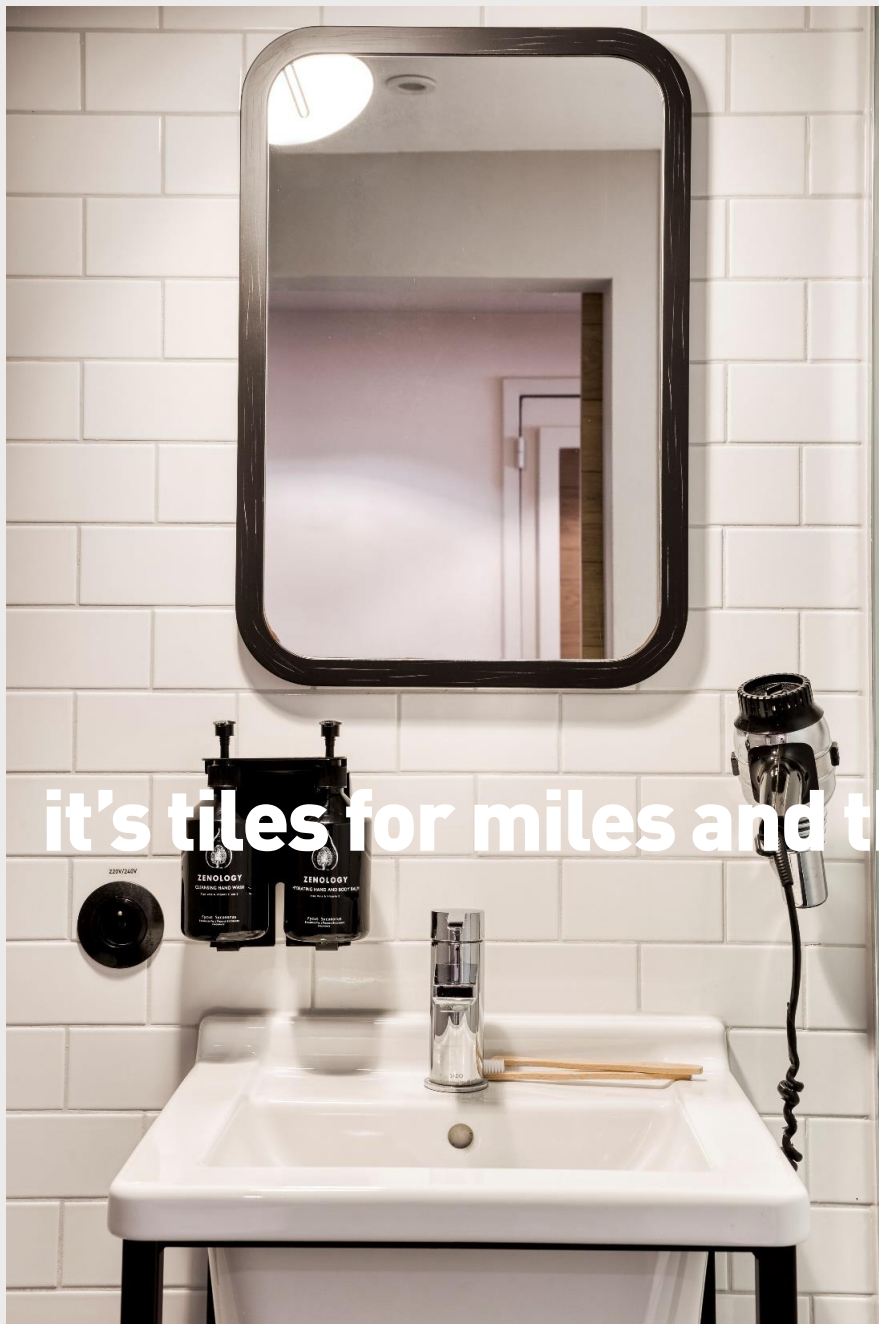

**it's a door to
knock on, when
you need something
more than popcorn.**

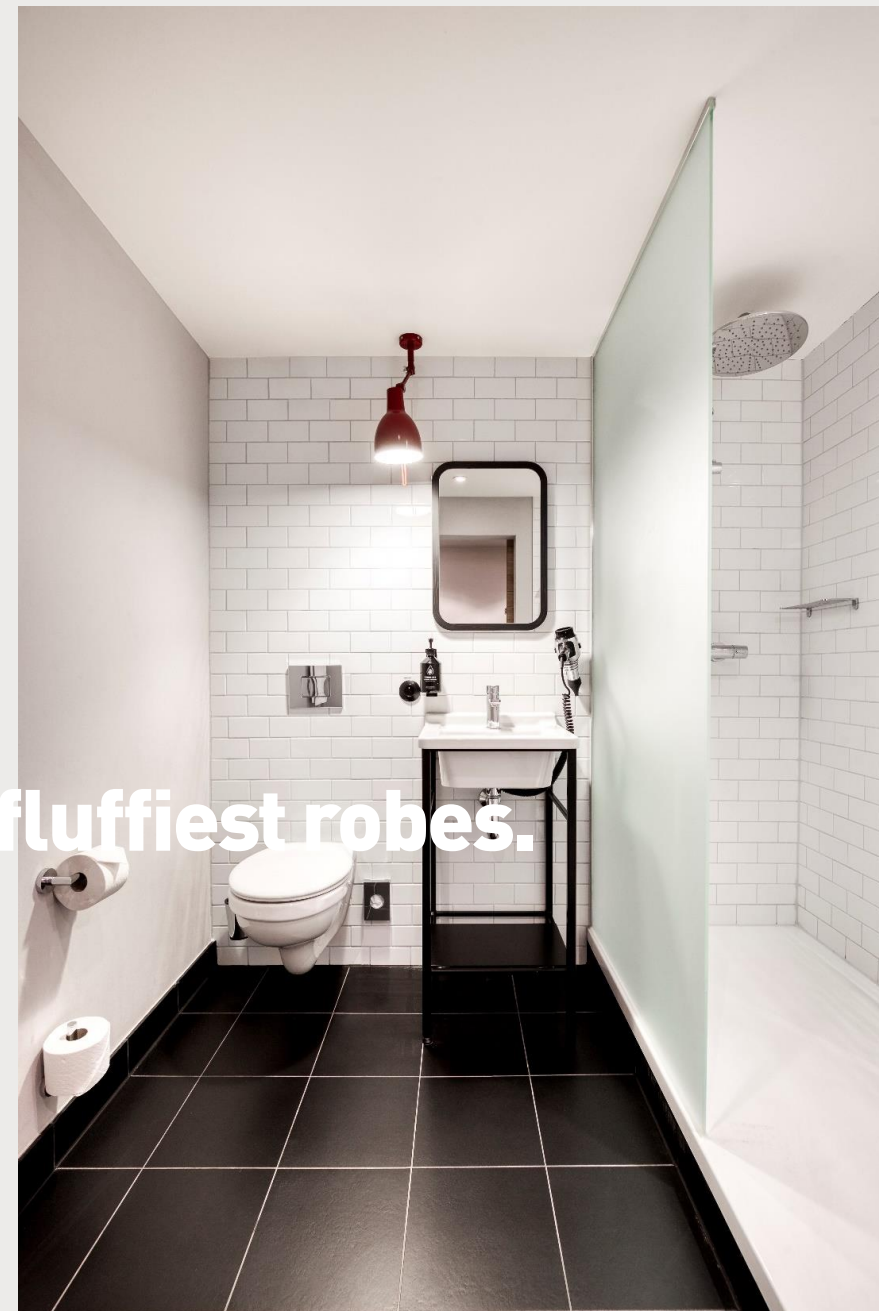

it's not your typical
"home away from home"...

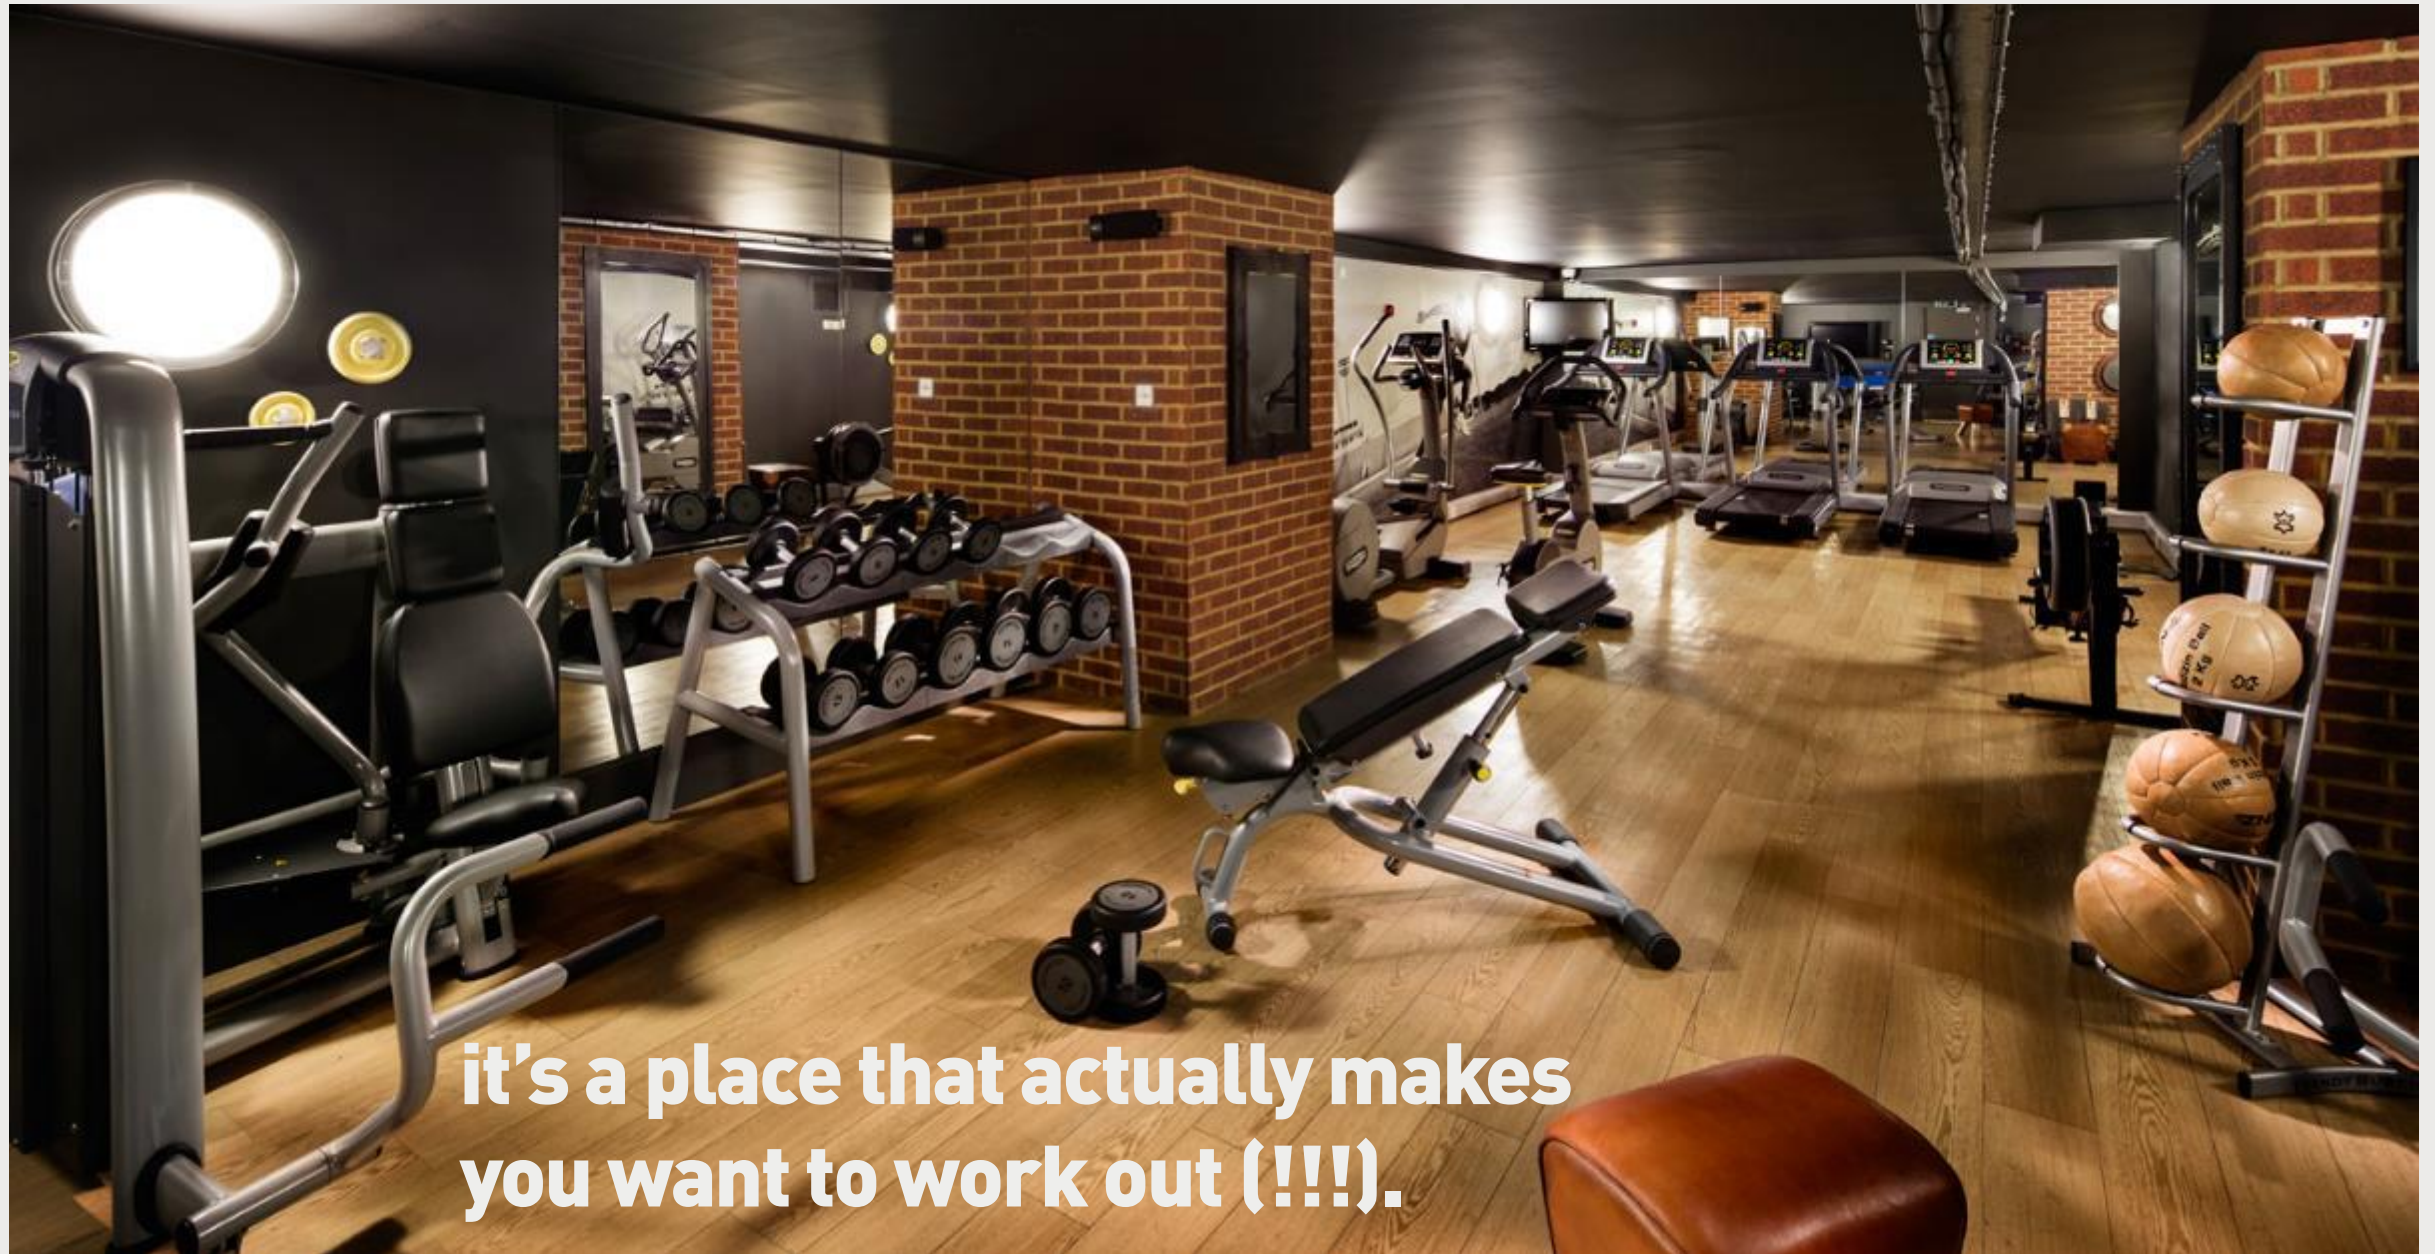

**... it's somewhere you can play
table football in the room!**

it's tiles for miles and the fluffiest robes.

**it's a place that actually makes
you want to work out (!!!).**
